WORK EXPERIENCE

Software Engineer

Jul 2022 - Mar 2024

AurionPro Solutions Ltd., Navi Mumbai

- Designed and maintained enterprise web and Android applications using **Java, Kotlin, HTML5, CSS3, JavaScript, ReactJS, Node.js**, and **JSON**.
- Implemented responsive **user interfaces** and **application features for 5 enterprise Web and Android applications based on client requirements**.
- Processed and validated JSON-based real-time timetable data for metro applications, ensuring data accuracy and system reliability.
- Performed functional, system, and regression **testing for web, Android, POS, and QR-based applications to support reliable production releases**.
- Collaborated with developers and QA teams to **troubleshoot defects, prepare test cases, and support production deployments** across enterprise applications.

Academic Project : PG-Diploma: DAC

Aug 2025 - Feb 2026

CDAC, Kharghar, Navi Mumbai

Tech Stack: Java, Spring Boot, ReactJS, Node.js, MySQL, REST APIs, HTML5, CSS3, JavaScript, Git

- Developed a full-stack collaboration platform using Java, Spring Boot, ReactJS, Node.js, and MySQL, enabling secure project collaboration between esports content creators and verified freelancers. Built responsive web interfaces and integrated REST APIs for secure data exchange.
- Implemented project management, file sharing, milestone tracking, ratings, and KYC verification features.
- Managed relational data using MySQL and collaborated using Git/GitHub.

EDUCATION

PG - Diploma: Advanced Computing

2026

Centre For Development of Advanced Computing (CDAC), Kharghar - Mumbai, India

Bachelor of Engineering: Computer Technology

2021

Karmaveer Dadasaheb Kannamwar Engineering College - Nagpur, India

CERTIFICATES

CMMI Level 5 Appraisal 2023 Recognition

2023

- Received recognition from AurionPro Solutions Ltd. for contributing to the successful CMMI Level 5 appraisal initiative.
